23/1	_	Between 2 and 5 p.m. on 25 October, there was intensive flying at the field. Eight swept-back jet fighters were in the air at the same time. Some dived
		over Rechlin airfield, fired two or three rounds and then climbed. Each plane made two or three passes. Night flying has not been recently observed.
	Г	
	8•	Living was discontinued
	8.	Flying was discontinued immediately when the sedan appeared and continued one hour later. About 3:30 p.m. a police patrol controlled all passers—by and asked where the sedan
